Request for a duplicate security card via retailer

Key system no.:

Owner

Valid statement:

The undersigned hereby declare that I am the owner (the legitimate proxy appointed by the owner) of the above mentioned key system. As verification of this statement further information about the key system is stated below. Without statement of the key function of both the Master key and the Grand master key together with additionally 3 key functions from the key system a new security card cannot be issued.

As the currently valid security card is lost I hereby request a duplicate security card. By receiving the new security card I accept that additional orders for the above mentioned key system can only be accepted if the retailer can present the new security card.
